Advisements to Witness Before Presentation:

- _____ 1. I am going to show you a group of individuals who are in random order.
- _____ 2. The person who committed the crime may or may not be included, so you should not feel compelled to make an identification.
- _____ 3. It is just as important to clear innocent people as it is to identify possible perpetrators.
- _____ 4. Whether or not you identify someone, the police will continue to investigate.
- _____ 5. After you are done, I will not be able to provide you with any feedback or comment on the results of the process.
- _____ 6. Please do not discuss this identification procedure or the results with other witnesses in this case or with the media.
- _____ 7. Think back to the time of the event, the place, view, lighting, your frame of mind, etc. Take as much time as you need.
- _____ 8. People may not appear exactly as they did at the time of the event, because features such as clothing and head/facial hair are subject to change.
- _____ 9. [Sequential Only] I will show you one person at a time, and cannot tell you how many people there are in total. I will show you all of the people, even if you identify someone earlier. As you finish looking at each person, let me know.
- _____ 10. As you look at each person, if you see someone that you recognize, please tell me how you know the person, and in your own words, how sure you are of the identification.
